

May 19, 1983

LB 615

CLERK: Mr. President, the next amendment I have is by Senator Warner. This is on page 2215 of the Journal.

PRESIDENT: Chair recognizes Senator Warner.

SENATOR WARNER: Is that the one I...I've got one to replace that, don't I, Pat?

CLERK: I'm sorry, yes, Senator, you do. The one, the amendment you're offering is on page 2331.

SENATOR WARNER: Mr. President, members of the Legislature, what the amendment does, the bill as you recall was originally amended on General File by the Appropriations Committee was the deficiency for the Medicaid and the bill was amended on General File and had \$1,345,000 of general fund and after April experience, why then this was modified now for about a \$45,000 increase in general fund to \$1,391,000. There's \$186,000 more in cash funds for a total of \$329,000 and \$1.2 million additional in the federal funds for a total of \$11.5 million but the purpose of the amendment then is to reflect additional increase necessary based upon April experience for the Medicaid prorating lawsuit and in the amendment also would reflect for informational purposes how the funds are allocated between the different programs. So that's the purpose of amendment; I move its adoption.

PRESIDENT: Senator Newell, you want recognition on the... very well. Is there further discussion on the Warner amendment? If not, the motion is to adopt the Warner amendment to LB 615. All those in favor, vote aye, opposed, vote no. Voting on the Warner amendment to LB 615, please record your vote. Please record your vote. Clerk will record.

CLERK: 26 ayes, 0 nays on adoption of Senator Warner's amendment.

PRESIDENT: The amendment is adopted.

CLERK: Mr. President, the next amendment I have is by Senator Warner. That amendment is on page 2329.

PRESIDENT: Senator Warner.

SENATOR WARNER: Mr. President, members of the Legislature, this is the, in essence, a correction in the, LB 628 when the amendments were adopted the day that a number of amendments were adopted. Inadvertantly there was a transfer that reflected a motion by Senator Landis some days before that, that transferred \$50,000 from the Nebraska Energy Resource fund to the general fund as a part of his motion at that time
